## Become a CASA Volunteer!

**Stand up for abused children so they can stand a chance.**

CASA (Court Appointed Special Advocates) offers a volunteer opportunity like no other. CASA volunteers are empowered to make a lifelong difference in the lives of abused and neglected children. Please consider becoming a voice for the more than 6,000 children navigating the child welfare system in Kansas.

Our volunteers visit with children in their placements; speak with children's families, social workers, caregivers, teachers, and other important people in their lives; and make recommendations to the court regarding the best interest of the children. We need more volunteers to serve these vulnerable children: currently, we're only able to serve about half of the children in foster care in our state.

Volunteers spend 12 to 15 hours per month working on each case. We ask volunteers to commit to serve for the duration of the child's time in foster care.

***To give a child a CASA is to give them a voice...***

**To give them a voice is to give them hope, and to give them hope is to give them the world. I believe that with all my heart.**

***–Pamela Butler, former foster child***
